## **NAME APPEAL PROCESS:**

### **MAIL PROCEDURE:**

If you have received a letter of rejection regarding the availability of a business name, you may request an appeal by drafting a letter and submitting it along with the original letter of rejection to our office for further review.

### **RECEPTION WINDOW PROCEDURE:**

If you visited our reception window and were told that a business name was not available you can simply let the receptionist know that you would like to appeal the initial name decision. The receptionist will collect your name and phone number and as soon as the name has been reviewed, you will be notified of the decision via the telephone number you left with the receptionist.
